The Indiana General Assembly, Indiana Arts Trust, and the National Endowment for the Arts fund this program.
THE INDIANA ARTS COMMISSION
On behalf of the people of Indiana, the Indiana Arts Commission (IAC) advocates engagement with the arts to enrich the quality of individual and community life. The IAC encourages the presence of the arts in communities of all sizes while promoting artistic quality and expression. The IAC advocates arts development opportunities across the state, and stewards effective use of public and private resources for the arts. It stimulates public interest in, and participation with, Indiana’s diverse arts resources and cultural heritage. The IAC works to enhance public awareness of the arts, life-long learning opportunities, and arts education programs. Governed by a 15-member board of gubernatorial appointees, the IAC serves all citizens and regions of the state.

REGIONAL ARTS PARTNERSHIP
Established in 1997 and working in collaboration with the IAC, the Regional Arts Partnership (RAP) exists to promote and expand arts participation in Indiana. The RAP structure provides local access to arts services and funding opportunities throughout the State of Indiana. Services include, but are not limited to, information and referral, technical assistance, and regranting of state and federal funds through the Regional Initiative Grant Program (RIG). The RIG program was developed to help provide Indiana citizens access to quality arts and cultural activities, with special attention to underserved communities. RIG programs include Arts Project Support (APS) and Mini grants, Arts Operating Support I (AOS I), and Arts Operating Support II (AOS II).

ABOUT THE AOS I PROGRAM
Description and Objectives
The Regional Initiative Grant (RIG) Arts Operating Support I program will provide annual operating support for the ongoing artistic and administrative functions of eligible arts organizations that provide quality arts activities with special attention to underserved communities. “Underserved communities” include people lacking access to arts programs, services, or resources due to isolated geographic location, low income, age, race/ethnicity, cultural differences, disability, or other circumstances. Eligible arts organizations are organizations for which providing arts activities or services is the primary mission and purpose.

Notice of Intent to Apply
Organizations NOT currently an AOS grantee must submit a Notice of Intent (NOI) by the deadline, and receive approval, to apply to this program, ONLY complete if your organization is not currently receiving Arts Operating Support. If your organization’s NOI was approved last year (FY16), but did not receive funding, a FY17 Notice of Intent form is not required. Direct Notice of Intent questions to IAC Director of Programs, Paige Sharp at psharp@iac.in.gov. The Notice of Intent to Apply form is due January 15, 2016, 4:30 p.m. EST.
Grant Period
Applications are submitted and paneled for FY2017 (July 1, 2016 – June 30, 2017). A yearly contract will be issued for grant recipients. Awardees are required to submit a Final Grant Report at the end of the grant period. The Final Grant Report form will be made available in 2017.

- For reports later than one week and up to two weeks late, the entire final grant payment will be rescinded and;

Monitoring/records retention and tax responsibilities: Grantees must provide access to any books, records, documents, and papers pertaining to the grant for purposes of program or financial review by the IAC or its partner agents. Adequate records need to be maintained to substantiate financial and program information reported to the IAC for a period of no fewer than three years. Grantees are responsible for all tax obligations under federal, state, and local laws. Consult a tax accountant or local Internal Revenue Service office. Grant monies cannot be used to pay taxes.
• **Public manifestation, fair labor, drug free, and civil rights:** The signed Grant Agreement indicates that the organization and its representative understand the detailed information provided at this [link](#) and are in compliance with these laws.

• **E-Verify Memorandum of Understanding (SEA 590):** Senate Enrolled Act 590 (SEA 590), signed into law by Governor Mitch Daniels in May 2011, stresses that State agencies cannot award a grant of more than $1,000 to a grantee unless the grantee documents enrollment and participation in the E-Verify program, affirming that a grantee does not knowingly employ an unauthorized alien. An explanation of the legislation can be found [here](#). Your organization must comply with this legislation upon acceptance of your grant or you risk losing the grant and rescinding of any funds paid. You can find more information at the [E-Verify website](#).

**FUNDING RESTRICTIONS**

The funding from the grant award may be used to support most aspects of the arts organization’s annual operating expenses (not including capital expenses). Acceptable expenses include artists’ fees, administrative fees, staff development and training, space and equipment rental, promotional costs, personnel and production costs, and supplies needed to support the programming activities. IAC funds can provide fee subsidies to presenting organizations that wish to purchase the grantee’s services.

The grant award funding may not be used to cover unacceptable expenses which include: cash reserves; deficit reduction, or deficit elimination; events in private dwellings or other locations not open to the general public; consumable supplies and materials; capital acquisitions (purchase of artwork, etc.); capital expenditures; equipment, restoration, or new construction of buildings; travel outside the United States; indirect costs or underwriting for ongoing residencies or curricular programs in degree-granting colleges and universities; projects to be delivered outside the state of Indiana; project expenses outside the grant period; and activities that are solely for the purpose of fundraising, private functions, religious services, lobbying activities, or any non-public activity.

**PAYMENT SCHEDULE**

All payments are contingent upon adherence to all grant guidelines and reporting requirements. The first grant payment will be for 75% of the first fiscal year total award. The second and final fiscal year grant payment will be for 25% of the total award. It takes approximately three months from the time the correctly completed forms are submitted until the recipient receives the payment. If the grantee fails to comply with the contract, reporting, logo, or the letter to elected officials requirement, the IAC may rescind the entire grant amount and this may jeopardize future grants from the Indiana Arts Commission.

**RECONSIDERATION POLICY AND APPEAL PROCESS**

The reconsideration process is designed to review the method and fairness of the IAC decision concerning a grant application. This process is not intended to impose a different panel’s choices/judgment over the original panel’s decision. Dissatisfaction with the denial of a grant or
the amount of an award is not sufficient reason for an appeal. For more information refer to the website at: http://www.in.gov/arts/2680.htm.
